About Your Policy

Your Policy is made up of this document, the Policy Schedule and any Endorsements and they should all be read as one document.

If You think that any details contained in these documents are not correct or if You need to change anything, You should ask Your insurance intermediary to tell us.

Words that are emphasised by the use of capitalisation have the meaning given to them in the General Definitions or the definitions applying to a particular Policy Section. The words “we”, “us”, and “our”, have the meaning given to them in the General Definitions or the applicable Policy Section even if they are not emphasised by the use of capitalisation.

Your Policy is a legal contract between You and AIG.

Based on the information provided by You when You applied for this insurance and subject to You having paid the required premium, we agree to insure You during the Period of Cover.

You are only insured for those Policy Sections that are shown as insured on the Policy Schedule.

There are specific conditions, specific exclusions and specific definitions that only apply to a specific Policy Section. In addition, there are general conditions, general exclusions, general claims conditions and general definitions that are part of this Policy and apply to each Policy Section.

Your Duty of Disclosure

Before You enter into an insurance contract, You have a duty to tell us anything that You know, or could reasonably be expected to know, may affect our decision to insure You and on what terms.

You have this duty until we agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure You for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive Your duty to tell us about.

If You do not tell us something

If You do not tell us anything You are required to, we may cancel Your Policy or reduce the amount we will pay You if You make a claim, or both.

If Your failure to tell us is fraudulent, we may refuse to pay a claim and treat the Policy as if it never existed.

Where the Marine Insurance Act 1909 applies to the Marine Transit section:

If You do not tell us anything You are required to, we may avoid Your Policy and treat it as if it never existed.

Cooling off period

Once cover has commenced You have 21 days to decide whether the Policy meets Your needs. This is called the “cooling off period”.

If during this time, You decide You aren’t completely satisfied with Your Policy, and provided You have not made a claim, You can cancel Your Policy by notifying us in writing. We will refund in full any premium You have paid.

General Insurance Code of Practice

We are a signatory to the General Insurance Code of Practice. This aims to raise the standards of practice and service in the insurance industry, improve the way that claims and complaints are handled and help people better understand how general insurance works. Information brochures on the Code are available upon request.

Goods and Services Tax (GST)

The amount of premium payable for this Policy also includes an amount on account of GST.

The Insured Amounts, Sums Insured and Limits of Liability under this Policy exclude GST.

When we make a payment under this Policy for the acquisition of goods, services or other supplies we will reduce the payment by the amount of any Input Tax Credit that You are or would have been entitled to if You made a relevant acquisition.

Where this Policy insures Business Interruption, we will take into account the GST exclusive amount of any supply made by Your Business which is relevant to Your claim.

Where Your Insured Amount is not sufficient to cover Your loss, we will only pay an amount for GST that relates to our proportion of the loss.

Where You are registered for GST You must tell us Your correct Input Tax Credit entitlement. Any fines or penalties arising from Your incorrect advice are payable by You.

Financial Claims Scheme

The protection provided under the Federal Government's Financial Claims Scheme ("Scheme") applies to the Policy. In the unlikely event that we are unable to meet our obligations under the insurance, persons entitled to make a claim under the insurance cover under the Policy may be entitled to payment under the Scheme (access to the Scheme is subject to eligibility criteria). Information about the Scheme can be obtained from the APRA website at <https://www.fcs.gov.au>.

Headings

Headings are included for ease of reference but are not part of the Policy.

Underinsurance/Average

Policy Sections 1 Property Damage contains an underinsurance/average clause (clause 6 under 'Conditions applicable to this Policy Section') that may limit the amount that we pay when You have a claim. This will only happen if You understate a sum insured or limit of liability. It is therefore very important that You do not understate a sum insured or limit of liability.

Example:

You insure Your property at a Situation for an Insured Amount of \$120,000 for Buildings and Contents and Stock for physical loss or damage to Your Property Insured at the Situation.

The Limit of Indemnity for a Situation is defined (in Policy Section 1) as meaning 120% of the Total Insured Amount for a particular Situation, this results in a Limit of Indemnity of \$144,000 ($\$120,000 \times 120\%$).

Property Damage of \$100,000 has occurred at the Situation.

The full insurable value of all the property at the Situation at the of the commencement of the Period of Cover, calculated in accordance with the basis of settlement provisions of the Policy, including the method of settlement You have chosen (reinstatement/replacement under clause 2 or indemnity value under clause 3, under the sub-section headed 'Your insurance cover under this Policy Section' under Policy Section 1), was \$200,000. The Insured Amount was therefore understated. 80% of the full insurable value is \$160,000.

Underinsurance applies because the Limit of Indemnity (\$144,000) was less than 80% of the actual value of the Property Insured at the Situation (so less than \$160,000).

So, for the Property Damage of \$100,000, we would pay $\$100,000 \times \text{the percentage of } \$144,000/\$160,000$, so $\$100,000 \times 90\% = \$90,000$.

General Conditions

Unless expressly stated, the following general conditions apply to all sections of this Policy:

1. Accountancy records

You must provide to us all books of account, business books and other documents as may be reasonably required to investigate or verify claims. If You do not provide such books or other documents this may impact the amount we pay under the Policy in relation to those claims.

2. Alteration of Risk

Our decision to insure You, as well as the terms of the Policy, including the premium charged, any Endorsements and the Excess, is based on the information that you provided to us at the time of applying for this insurance, including in relation to Your Business and the risks to be insured. Your insurance cover may be affected if any of the facts or circumstances that existed at the commencement of this Policy change during the Period of Cover.

If You become aware of a material change to the facts or circumstances which existed at the commencement of this Policy that significantly increases the risk of loss, damage, injury, illness or liability under the Policy, You must notify us in writing within 30 days.

If we agree to the change, we will do so in writing, and You must pay us any reasonable additional premium we require.

Examples of material changes You should tell us about include but are not limited to:

- (a) a change in the type of or nature of Your Business;
- (b) where you are an owner of a Building insured under this Policy, a change in the occupations of any tenant(s) or changes of business of the tenant(s);
- (c) a change in the condition of the Situation or Property Insured in a way that increases the risk of damage or loss including You or others undertaking construction, alteration, renovation or demolition work at the Situation;
- (d) the security measures at the Situation as originally advised changes;
- (e) You become aware that the construction of the Building or any other structure at the Situation differs from that which existed, or known to You, at the start of the Policy; or
- (f) the Business is wound up or carried on by an insolvency practitioner or permanently discontinued.

In the event that You do not notify us within 30 days of You becoming aware of a material change to the facts or circumstances which existed at the commencement of this Policy and that change significantly increases the risk of loss, damage injury, illness or liability under the Policy, then we may refuse to pay the claim in whole or in part, subject to our rights under section 54 of the Insurance Contracts Act 1984 (Cth) including an entitlement to reduce our liability in respect of a claim by an amount that fairly represents the extent to which our interests have been prejudiced as a result of Your failure to notify us. Section 54 sets out circumstances when we may refuse to pay the claim in part or in whole. Failure to notify us of a material change set out above may entitle us to cancel the Policy under section 60 of the Insurance Contracts Act 1984 (Cth).

3. Assignment

This Policy, the proceeds under the Policy and any rights under this Policy cannot be assigned without our prior written consent.

4. Bankruptcy or insolvency

Subject to our right to cancel the Policy as a result of bankruptcy or insolvency, if You become bankrupt or insolvent, we will not be relieved of the payment of any claims under this Policy arising prior to such cancellation of the Policy.

In case of execution against You of any final judgment covered by this Policy being returned 'unsatisfied' by reason of such bankruptcy or insolvency, then an action may be maintained by the injured party or their representative against us in the same manner, and to the same extent as You but not in excess of the Limit of Liability.

5. Breach or Error without Your knowledge

Breach of a condition or warranty without Your knowledge or consent or error in name, description or Situation of property will not prejudice Your rights under this Policy provided notice in writing is given to us when such breach or error comes to Your knowledge. Reasonable extra premiums shall be paid if required, from the date of such breach or error.

6. Changes in this Policy

No change in this Policy will be valid nor shall the requirements of this Policy be waived unless we have agreed to such change or waiver of requirements by Endorsement.

7. Conduct of claims and subrogation

We shall:

- (a) have the right to conduct, and full discretion in the conduct of, any legal proceedings against You in relation to any matter covered by this Policy and the negotiation and settlement of any claim; and
- (b) have the right to take action or institute legal proceedings in Your name against another person or organisation, to recover any payment we have made or have agreed to pay under the terms of the Policy in respect of Your loss.

Subject to any express written agreement, any such amount recovered will first be applied to pay Your Excess and secondly to reimburse us for any payments made by us. Any amounts in excess of our total payment will be paid to You.

You must provide to us all reasonable assistance in the investigation of, conduct of or prosecution of any claim, including provision of documents and statements and attending court to give evidence.

8. Designation of property

For the purpose of determining under which item any property is insured, we agree to accept the designation under which such property appears in Your books of account.

Provided always that this general condition shall not apply to the Theft Policy Section with respect to tobacco, products containing tobacco, cigars, and/or cigarettes.

9. Excess

If You have a claim under more than one Policy Section for one event, then You only pay the highest applicable Excess for all claims that arise out of the one event. Sums Insured, Insured Amounts, Limits of Liability, Limits of Indemnity and sub-limits of liability shall apply in addition to, and shall not be reduced by, the amount of any applicable Excess.

10. Cancelling Your policy

How You may cancel this Policy

You may cancel this Policy at any time by telling us in writing that You want to cancel it. You can do this by giving the notice to Your broker.

Where 'You' involves more than one person, we will only cancel the Policy when a written agreement to cancel the Policy is received from all persons named as the Insured.

How we may cancel this Policy

We may cancel this Policy in any of the circumstances permitted by law by informing You in writing.

We will give You this notice in person or send it to Your address last known to us. Such cancellation takes effect at the earlier of the following times:

- (a) the time when another policy of insurance between You and us or some other insurer, being a policy that is intended by You to replace this Policy, is entered into; or
- (b) at 4.00 pm on the fourteenth (14th) business day after the day on which notification was given by us.

The premium

We will refund to You the pro rata portion of the premium for the remaining Period of Cover, less any non-refundable government charges.

11. Inspections

We (or agents appointed by us) have the right to inspect and examine, by mutual appointment, any Property Insured.

12. Jurisdiction

All disputes (including but not limited to the construction, interpretation, validity or performance arising out of or under this Policy) shall be subject to determination by any court of competent jurisdiction within the Commonwealth of Australia according to the law which applies to that jurisdiction.

13. Non-imputation

Where this insurance is arranged in the joint names of more than one Insured it is hereby declared and agreed that:

- (a) each Insured shall be covered as if it made its own proposal for this insurance;
- (b) any declaration, statement or representation made in any proposal shall be construed as a separate declaration, statement or representation by each Insured; and
- (c) any knowledge possessed by any Insured shall not be imputed to the other Insureds.

14. Other persons or organisations

The insurable interest of only those lessors, financiers, trustees, mortgagees, owners and all other parties noted on the Policy Schedule, Your business or legal records, or having a charge over the Property Insured, shall be automatically included as third party beneficiaries without notification or specification. The nature and extent of such interest is to be disclosed to us in the event of any claim covered by this Policy. Any other persons or entities not in this category or not named on the Policy Schedule are not covered and cannot make a claim. All third party beneficiaries must comply with the terms and conditions of the Policy.

Where the separate interests of more than one party in the Property Insured are insured under this Policy, any act or neglect of one party will not prejudice the rights of the remaining party or parties provided that the remaining parties are entirely innocent of and have no prior knowledge of any such act or neglect and shall, within a reasonable time after becoming aware of any act or neglect whereby the risk of loss, damage or destruction has increased, give notice in writing to us and shall on demand pay such reasonable additional premium as we may require to reflect the increased risk of loss or damage.

All persons entitled to claim under the Policy are bound by the terms and conditions of the Policy.

When a claim is paid under the Policy and is also recoverable under another policy or policies, You agree to provide us with details of such policies and permit us to exercise our subrogated rights and/or seek contribution from any other insurer or insurers.

15. Our maximum liability

Except as otherwise stated elsewhere in this Policy, the maximum amount we will pay will not exceed the amount stated in the Policy Schedule as the Insured Amount, Sum Insured or the Limit of Liability for those Policy Sections selected.

The Insured Amount, Sum Insured, Limit of Liability, Limit of Indemnity and sub-limits of liability shall apply in addition to, and shall not be reduced by, the amount of any applicable Excess.

16. Progress payments

We will make progress payments on claims at intervals to be agreed by us generally following receipt of an interim report or reports from our loss adjuster or representative to the extent that such report(s) provides proof of loss and costs covered under the Policy. We will not unreasonably withhold progress payments.

17. Protective Device

If You have advised us that electronic surveillance protection, fire protection systems and automatic alarm signal connected to a fire brigade station or security monitoring company, are installed at the Situation You must:

- (a) ensure they are regularly tested and maintained in accordance with the manufacturer's recommendation;

18. Reasonable care

You must take reasonable precautions to prevent personal injury or property damage. Such precautions include:

- (a) if You discover Your products may be defective and the defect may cause a claim under the Public and Products Liability Policy Section, at Your expense You must take reasonable steps to restrict, trace, recall, modify, replace or repair the products;
- (b) maintaining and looking after other person's or organisation's property and buildings used or occupied by You, in accordance with Your agreement with them;
- (c) if Your occupation includes digging below ground at sites away from Your Situation, the location of underground services must be obtained from the owners of the services by You or Your principal, before the work is commenced; and
- (d) using and storing all hazardous materials as required by law.

If You do not take reasonable precautions we may be entitled to refuse to pay part or all of Your claim to the extent to which Your failure to take reasonable precautions caused or contributed to the personal injury or property damage.

19. Reinstatement of Insured Amount

In the event of damage insured under one or more of the Property Damage, Business Interruption, Theft, Money and Glass Policy Sections of this Policy, the amount by which the Insured Amount, Limit of Liability or Limit of Indemnity is reduced as a consequence of the loss or damage will be automatically reinstated as from the date of loss or damage provided that:

- (a) there is no written request from You or written notice by us to the contrary;
- (b) the Policy Section is an operative Policy Section of the Policy; and
- (c) You pay the premium which we require for the reinstatement.

We will not reinstate the Limit of Indemnity, Insured Amount or Limit of Liability for the Property Damage or Business Interruption Policy Sections if we have paid a total loss under either of these Policy Sections.

20. Sale of salvage

We will not sell or dispose of any salvage without giving You the opportunity to buy it at its salvage value, provided that this condition does not allow You to abandon the property to us.

21. Single occurrence

We will not pay for loss or damage to property covered by the Policy under more than one Policy Section in respect of the same item and occurrence unless a relevant Insured Amount has been paid out in full and You have not been fully covered for the loss or damage.

22. Waiver of subrogation rights

We may not be liable to pay any benefits under this Policy for loss, damage or liability if You agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate You with respect to that loss, damage or liability. However:

- (a) we shall waive any rights and remedies or relief to which we are or may become entitled by subrogation against:
 - (i) any co-Insured (including directors, officers and Employees); and

Policy Section 1 – Property Damage

About this Policy Section

This Policy Section only forms part of Your Policy when it is shown as insured in the Policy Schedule.

This Policy Section of the Policy covers physical loss of or damage to Your Property Insured during the Period of Insurance. We do not cover the theft or breakdown of Your Property Insured under this Policy Section.

Definitions

Some words have special meaning wherever they appear in this Policy Section. These words and their meanings are listed below:

Catastrophe means a large scale destructive Event in the area in which the Situation is located which either:

- (a) the Insurance Council of Australia has declared to be an “insurance catastrophe event”; or
- (b) as a consequence of the Event, the relevant government authority has declared a state of emergency.

Increase in Building Costs means the difference between the cost of reinstatement actually incurred in accordance with the Method of Settlement provisions of this Policy Section and the cost of reinstatement that would have applied had the Catastrophe not occurred.

Landscaping means growing plants, potted plants, trees, shrubs, garden plots and lawns (including rock work, retaining walls, ornamentation and edging pertaining thereto).

Limit of Indemnity means 120% of the Total Insured Amount for a particular Situation; or any other amount for ‘Limit of Indemnity’ agreed by us and specified in the Policy Schedule for the particular Situation.

Market Value means the estimated amount for which the Property Insured should exchange immediately before the damage, between a willing buyer and a willing seller in an arms-length transaction, after proper marketing, wherein the parties had each acted knowledgeably, prudently and without compulsion.

Specified Items (for the purposes of this Policy Section only) means each item of property that is specifically described on the Policy Schedule for this Policy Section.

Total Insured Amount means the total of all Insured Amounts for Buildings, Contents, Stock and Specified Items for a particular Situation.

Your insurance cover under this Policy Section

1. What You are covered for

We will pay You for accidental physical loss of or damage to Your Property Insured at the Situation happening during the Period of Cover.

Unless explicitly stated otherwise within this Policy Section, the maximum we will pay under this Policy Section in relation to any one Event is the Limit of Indemnity that applies to the particular Situation affected by the Event, provided that:

- (a) the maximum we will pay for each Specified Item is the Insured Amount shown in the Policy Schedule for that item, and
- (b) for Contents that are works of art, antiques or curios we will only pay the value of the item up to a maximum of \$10,000 for any one item and a maximum of \$50,000 for any one Event, unless they are a Specified Item.

For any item of Contents or for any Specified Item that is part of a pair or set, the limit applies to the pair or set.

There are two methods of paying Your valid claims. They are ‘reinstatement or replacement value’ and ‘indemnity value’. The method You have chosen is shown in the Policy Schedule.

2. Method of Settlement – Reinstatement or replacement value

Unless the Policy Schedule shows You are insured for ‘Indemnity value’ then, when Buildings, Specified Items or Contents are lost or destroyed we will, at our option (acting reasonably), after consultation with You:

- (a) rebuild the Buildings at the Situation shown on the Policy Schedule or, at Your option, at another site;
- (b) replace Contents or Specified Items with similar property;
- (c) pay the cost of rebuilding or replacing the Buildings, Specified Items or Contents;

- (d) pay You the amount shown on the proof of purchase for Specified Items unless the Specified Items are works of art antiques or curios; or
- (e) pay You the amount of a valuation by the Auctioneers and Valuers Association of Australia for Specified Items of works of art, antiques and curios.

Our decision will have regard to and be dependent on the circumstances of Your claim and Your circumstances.

If the Buildings, Specified Items, or Contents are damaged, then we will, at our option (acting reasonably) after consultation with You:

- (a) repair or replace the Buildings, Specified Items or Contents; or
- (b) pay the cost of repairing or replacing the Buildings, Specified Items or Contents.

Reinstatement or replacement is subject to the following conditions:

- (a) You must commence to rebuild, replace or repair within a reasonable time of the loss or damage, after our consent has been obtained. If You do not, we will pay no more than the cost that would have been incurred if the work of rebuilding, replacement or reinstatement had been commenced and carried out with reasonable dispatch.
- (b) Property Insured may be rebuilt or erected at another location and in a manner suitable to You provided You pay any additional costs to build or erect elsewhere.
- (c) when any Property Insured is damaged, but not destroyed, we will not pay more than the amount that we could have been called upon to pay for if that property had been destroyed.
- (d) we will pay the cost of rebuilding, replacing or repairing any damaged part of Your Property Insured to the same condition when new or, where appropriate, in accordance with the 'Output replacement' clause set out below.

Our decision will have regard to and be dependent on the circumstances of Your claim and Your circumstances.

3. Method of settlement – Indemnity value

If the basis of settlement is shown in the Policy Schedule as Indemnity, then for any loss or damage to a Building or to Contents, we will, at our option (acting reasonably), after consultation with You:

- (a) reinstate or replace the Building or Contents;
- (b) pay You the Market Value of the Building or Contents at the time of its loss or damage; or
- (c) pay the cost to repair or replace the Building or Contents.

In all cases, where appropriate, we will reduce the amount we pay by an equitable amount for age, wear, tear, depreciation and will make an adjustment for the general condition and remaining useful life of the individual item or components that are damaged.

Our decision will have regard to and be dependent on the circumstances of Your claim and Your circumstances.

4. Limitation of Cover

The following limitations are in addition to any other limitations of cover in this Policy.

- (a) **Excess**
You must pay the Excess shown on the Policy Schedule.
- (b) **Earthquake**
If any loss is caused by earthquake, volcanic eruption, subterranean fire or tsunami, we will not pay for the first \$20,000 or 1% of the Insured Amount at the damaged Situation (whichever is the lower amount) of each claim caused by earthquake, tsunami, volcanic eruption or subterranean fire.
- (c) **Storm, rainwater, wind, hail or snow**

This basis is applicable to Buildings, machinery and plant.

Where 'Reinstatement or Replacement' is the basis of settlement, we will also pay the extra cost of reinstatement (including demolition or dismantling) or replacement of Property Insured which is necessarily incurred in connection with the repair or replacement of damaged Property Insured, to comply with the requirements of any Act of Parliament or Regulation made under an Act or By-law or the Regulation of any Australian Commonwealth, state, territory or local government or Australian government agency, other than those relating to the heritage status of a Building. Any additional costs that You, or a person You choose to carry out the reinstatement, caused due to Your failure to carry out the reinstatement with reasonable dispatch, is not covered.

7. Extra Costs of reinstatement: Heritage Building

If You are insured under this Policy Section on a reinstatement or replacement basis for loss or damage to any Building that is subject to any heritage listing or protection and You choose to rebuild, replace or repair the Building at the same location, we will pay the extra costs of repairing, replacing, or reinstating the Building, to comply with standards imposed by any lawful heritage protection authority.

We will not pay more than the cost necessary to rebuild, replace or repair any such heritage listed Building to a reasonably equivalent appearance and capacity using original design and suitable modern equivalent materials, if the original materials are not available.

8. Conditions which apply to Extra cost of reinstatement and Extra Costs of reinstatement: Heritage Building

The following conditions apply to the '6 Extra cost of reinstatement' and '7 Extra costs of reinstatement: Heritage Building' provisions of this Policy Section:

- (a) the work of reinstatement must be commenced and carried out within a reasonable period, failing which, we will not pay more than the amount which would have been payable under the Policy if the work of reinstatement had been commenced and carried out with reasonable dispatch;
- (b) the amount payable shall not include the additional costs incurred in complying with any such Act, Regulation or By-law or requirement with which You have been required to comply prior to the happening of the Event; and
- (c) the work of reinstatement may be carried out wholly or partly upon any other site, if the requirements of the Act, Regulation or By-law necessitate it, subject to our liability not being increased. This clause (c) shall not apply to '7 Extra costs of reinstatement: Heritage Buildings'.

Our total liability under clauses 6, 7 & 8 will be limited to:

- (a) the Limit of Indemnity not otherwise exhausted.

The underinsurance/average condition of this Policy Section will not apply to the amount payable under this clause.

We shall pay, in addition to the amount payable on reinstatement of such Buildings, the difference between:

10. Output replacement

Where any Property Insured consists of equipment, machinery or plant having a measurable function, capability or output and if it is necessary to replace such property with a new item or items which perform a similar function or functions, then the basis of settlement for such Property Insured shall be:

- (a) where any Property Insured is to be replaced with any item or items which have the same or a lesser total function, capability or output, then the basis of settlement is the new installed cost of such replacement item or items as would give the same total function, capability or output as the Property Insured.
- (b) where any Property Insured is to be replaced with an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is no greater than the replacement value of that Property Insured, then the basis of settlement is the new installed cost of the item or items so replaced.
- (c) where any Property Insured is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is greater than the replacement value of the Property Insured, then the basis of settlement is the lesser of the reinstatement value or that proportion of the new installed cost of the replacement item or items which the output of the Property Insured damaged bears to the output of the replacement item or items. If the reinstatement value of the damaged Property Insured is not ascertainable then the basis of settlement is the new installed cost of the replacement item or items.

11. Undamaged portions of Buildings

When a damaged Building has to be rebuilt at a location other than the Situation because the requirements of any lawful authority prevent the reinstatement of the Building at the Situation, then the abandoned undamaged portion of the Building including the foundations and services shall be deemed to be destroyed.

This is subject to the following conditions:

- (a) our liability is limited to the Limit of Indemnity at the Situation as shown in the Policy Schedule; and
- (b) this clause will not apply if the amount of any damage does not exceed ten percent (10%) of the Limit of Indemnity at the Situation.

The full insurable value, depending on which basis of settlement either clause 2 or 3 under the sub-section headed 'Your insurance under this Policy Section' You chose at the time of entering into this Policy, is (a) for such clause 2, the reinstatement or replacement value of the Buildings, Contents, Stock and Specified Items at the time of commencement of the Period of Cover (not the Insured Amounts) or (b) for such clause 3, the indemnity value of the Buildings, Contents, Stock and Specified Items at the time of commencement of the Period of Cover (not the Insured Amounts).

Example:

Total full insurable value for the Situation \$200,000

80% of value = \$160,000

Limit of Indemnity (as defined in the Definitions for this Policy Section) \$144,000

Therefore if a \$100,000 loss occurs, we would pay $(\$144,000/\$160,000) \times \$100,000 = \$90,000$

Any additional costs incurred to comply with the requirements of any Government Authority, by-laws or regulations shall be omitted from the calculation of our proportion.

Policy Section 2 – Business Interruption

Definitions

Some words have special meaning wherever they appear in this Policy Section. These words and their meanings are listed below:

Annual Rent Receivable means the Rent Receivable during the twelve months immediately before the date of the Damage to which such adjustments will be made as may be necessary to provide for the trend of Your Business and for variations in or other circumstances affecting Your Business either before or after the Damage or which would have affected Your Business had the Damage not occurred, so that the adjusted figures will represent as nearly as may be reasonably practicable the results which, but for the Damage, would have been obtained during the relative period after the Damage.

Damage means physical loss or damage (occurring during the Period of Cover) from the operation of a peril or event insured against under;

- (a) the 'Property Damage Policy Section', the 'Theft Policy Section', the 'Money Policy Section', the 'Glass Policy Section' or the 'General Property Policy Section' of Your Policy.
- (b) another insurance policy that insures Your property insured and lists You as a named insured provided that:
 - (i) we receive written confirmation of the extent of cover from the insurer who issued this other policy; and
 - (ii) cover for such property insured that is damaged, and the cause of the damage would have been covered under one of the Policy Sections shown in (a) above had that Policy Section formed part of Your Policy.

Where due to the operation of an excess, no covered claim would be payable for such loss, destruction or damage under any insurance mentioned in (a) or (b), such loss, destruction or damage shall be deemed to be Damage and covered for the purposes of this definition.

Notwithstanding the foregoing and solely in relation to the cover provided for in this Policy Section under the sub-section headed 'Additional Benefits applicable to this section', any reference to Damage in such sub-section shall mean physical loss, destruction or damage (occurring during the Period of Cover), provided that such loss, destruction or damage would have arisen from the operation of a peril or event insured against under one of the Policy Sections shown in (a) above.

Gross Profit means the amount by which the sum of the Turnover and the amount of the closing Stock and work in progress exceeds the sum of the opening Stock and work in progress and the amount of any Uninsured Working Expenses.

Gross Profit is extended to include the loss of any government approved incentives, subsidies or market development allowances You are entitled to in relation to Your Business.

Note: The amount of the opening and closing Stocks will be arrived at in accordance with Your normal accounting methods, due provision being made for depreciation.

Indemnity Period means the period beginning with the occurrence of the Damage during which the results of Your Business are affected by the Damage and ending at the expiration of the maximum period specified in the Policy Schedule.

Output means the sale and/or invoice value of goods manufactured and/or processed by You in the course of Your Business at the Situation.

Rate of Gross Profit means the Gross Profit, expressed as a percentage, earned on the Turnover during the financial year immediately before the date of the Damage to which such adjustments will be made as may be necessary to provide for the trend of Your Business and for variations in or other circumstances affecting Your Business either before or after the Damage or which would have affected Your Business had the Damage not occurred, so that the adjusted figures will represent as nearly as may be reasonably practicable the results which, but for the Damage, would have been obtained during the relative period after the Damage.

Rent Receivable means the amount of the rent received or receivable (including base rental, Turnover rental and contributions to outgoings) from the letting of property at the Situation.

Shortage in Turnover means the amount by which the Turnover during a period will, in consequence of the Damage, fall short of the part of the Standard Turnover which related to that period.

Standard Rent Receivable means the Rent Receivable during that period in the twelve months immediately before the date of the Damage which corresponds with the Indemnity Period to which such adjustments will be made as may be necessary to provide for the trend of Your Business and for variations in or other circumstances affecting Your Business either before or after the Damage or which would have affected Your Business had the Damage not occurred, so that the adjusted figures will represent as nearly as may be reasonably practicable the results which, but for the Damage, would have been obtained during the relative period after the Damage.

Standard Turnover means the Turnover during that period in the twelve months immediately before the date of the Damage which corresponds with the Indemnity Period to which such adjustments will be made as may be necessary to provide for the trend of Your Business and for variations in or other circumstances affecting Your Business either before or after the Damage or which would have affected Your Business had the Damage not occurred, so that the adjusted figures will represent as nearly as may be reasonably practicable the results which, but for the Damage, would have been obtained during the relative period after the Damage.

Turnover means the amount (less discounts allowed) paid or payable to You for goods sold and delivered and for services rendered in the course of Your Business at the Situation.

Uninsured Working Expenses means the working expenses of Your Business which You have elected not to insure under this section, and which are specified in the current Schedule.

- (b) a claim has been paid or liability admitted in respect of such Damage; and
- (c) our liability in no case will exceed in respect of each item the Insured Amount shown in the Policy Schedule for that item.

2. Item 1 – Gross Profit

This item is limited to the loss of Gross Profit due to a reduction in Turnover and the increase in Your cost of working.

- (a) in respect of reduction in Turnover the sum produced by applying the Rate of Gross Profit to the Shortage in Turnover during the Indemnity Period, and
- (b) in respect of the increase in cost of working the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in Turnover which, but for the additional expenditure, would have taken place during the Indemnity Period in consequence of the Damage, but not exceeding the sum produced by applying the Rate of Gross Profit to the amount of reduction thereby avoided,

Less any sum saved during the Indemnity Period in respect of such charges and expenses of Your Business payable out of Gross Profit as may cease or be reduced in consequence of the Damage.

3. Item 2 – Additional increase in cost of working

If You cannot accurately establish the total amount of accounts receivable outstanding as at the date of the Damage, the amount will be computed as follows:

- (a) determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the Damage occurs;
- (b) calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the year immediately preceding the month in which the Damage occurs, as compared with such average for the same months of the preceding year;
- (c) the amount determined under (a), increased or decreased by the percentage calculated under (b) above, will be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said Damage occurs;
- (d) the amount determined under (c) above will be increased or decreased in conformity with the normal fluctuation in the amount of accounts receivable during the fiscal month involved, consideration being given to the experience of Your Business since the last day of the last fiscal month for which statements have been rendered less:
 - (i) the amounts of such accounts evidenced by records not suffering Damage or otherwise established or collected by You;
 - (ii) an amount to allow for probable bad debts that would normally have been uncollectible by You;
 - (iii) all unearned interest and service charges; and
 - (iv) settlement or term discounts normally allowed.

We will not pay more than:

- (a) \$7,500; or
 - (b) the Insured Amount for 'Outstanding accounts receivable' shown in the Policy Schedule,

6. **Item 5 – Loss of Rent Receivable**

This item is limited to loss of Rent Receivable and additional expenditure.

- (a) in respect of loss of Rent Receivable, the amount by which the Rent Receivable during the Indemnity Period falls short of the Standard Rent Receivable, in consequence of the Damage; and
- (b) in respect of additional expenditure, the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of Rent Receivable which, but for that expenditure, would have taken place during the Indemnity Period in consequence of the Damage, but not exceeding the amount of the reduction in Rent Receivable thereby avoided,

This increase in Your Indemnity Period will only extend the period provided that the interference or interruption of Business is in consequence of Damage. This additional benefit does not increase the Insured Amount applicable to the cover shown in the Policy Schedule.

Conditions applicable to this Policy Section

1. Accumulated Stocks

In adjusting any loss, account will be taken and equitable allowance made if any reduction in Turnover in consequence of the Damage is postponed by reason of the Turnover being temporarily maintained from accumulated Stocks of finished goods.

2. Alternative trading

If during the Indemnity Period, goods are sold, work is performed or services are rendered elsewhere than at the Situation for the benefit of Your Business either by You or by others acting on Your behalf, the money paid or payable in respect of such sales, work or services will be brought into account in arriving at the Turnover during the Indemnity Period.

3. Books of account

Any particulars or details contained in Your books of account or other business books or documents that may reasonably be required by us for investigating or verifying any claim made under this section may be produced and certified by Your auditors and their certificate will be prima facie evidence of the particulars and details to which the certificate relates.

4. Departmental

If Your Business is conducted in departments or business units the independent trading results of which are ascertainable, the provisions of 'Item 1 – Gross Profit' will apply separately to each department affected by the Damage. For the purposes of this clause, the Rent Receivable from letting of property at the Situation will be regarded as the proceeds of one such department.

5. Insured Amount

Our liability to You will in no case exceed in respect of each item the Insured Amount or Limit of Liability expressed against that item in the Policy Schedule. 'Additional Benefits' are within the total Limit of Liability of this section and not additional to the total Limit of Liability.

6. New business

In the event of Damage occurring at the Situation before the completion of the first year's trading of Your Business, the defined terms 'Rate of Gross Profit' and 'Standard Turnover' shall instead have the following meanings wherever they appear in this section:

'Rate of Gross Profit' means the proportion that the Gross Profit bears to the Turnover during the period between the date of commencement of Your Business and the date of the Damage.

'Standard Turnover' means the Turnover achieved between the date of commencement of Your Business and the date of the Damage, converted to the selected Indemnity Period.

The above definitions may be used as necessary to calculate the trend of Your Business and for variations in or other circumstances affecting Your Business either before or after the Damage or which would have affected Your Business had the Damage not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the result which but for the Damage would have been obtained during the relative period after the Damage.

7. Salvage sale

If, following Damage giving rise to a claim under this Policy, the Insured shall hold a salvage sale during the Indemnity Period:

(a) clause (a) of 'Item 1 - Gross Profit' of this Policy Section shall, for the purpose of such claim, read as follows:

'in respect of reduction in Turnover the sum produced by applying the Rate of Gross Profit to the amount by which the Turnover during the Indemnity Period (less the Turnover for the period of the salvage sale) shall, in consequence of the Damage, fall short of the Standard Turnover, from which shall be deducted the Gross Profit actually earned during the period of the salvage sale'

(b) the definition of 'Shortage in Turnover' shall, for the purpose of such claim, mean:

'the amount by which the Turnover during a period (less the Turnover for the period of the salvage sale) shall, in consequence of the Damage, fall short of the part of the Standard Turnover which relates to that period, from which shall be deducted the pay-roll paid out of the proceeds of the salvage sale'

8. Turnover or Output election

In the event of Damage giving rise to a claim under this Policy Section, at Your option, the word 'Output' may be substituted for the term 'Turnover'. Provided that only one such meaning ('Turnover' or 'Output') shall be operative in connection with any one event involving Damage.

If You select the cover available under this clause, the clause headed 'Alternative trading' above shall be altered to read as follows:

If during the Indemnity Period, goods are sold, work is performed or services are rendered elsewhere than at the Situation for the benefit of Your Business either by You or by others acting on Your behalf, the money paid or payable in respect of such sales, work or services will be brought into account in arriving at the Output during the Indemnity Period.'

3. Conduct

For the purpose of determining the applicability of the Exclusions at 1 (a) (i), (ii) and (iii) under this Policy Section the information or knowledge possessed by any past, present or future chairman of the board of directors, chief executive officer, chief operating officer, chief financial officer or chief legal officer (or equivalent positions) of a Company shall be imputed to that Company.

4. Consent – Insured

We may settle any Claim with respect to any Insured subject to such Insured's or Policyholder's written consent. If the Insured or the Policyholder withholds consent to any settlement recommended by a senior lawyer then our liability for all Loss in respect of that Claim will not exceed the amount for which we could have settled the Claim plus the costs and expenses incurred to the date such settlement was recommended in writing to the Insured.

5. Consent – insurer

No Insured shall admit or assume any liability, enter into any settlement agreement, or consent to any judgment without our prior written consent. Our consent will not be unreasonably withheld provided that we are permitted to effectively associate with the Insured in the defence and settlement of any Claim. Only judgments resulting from Claims defended in accordance with this Policy Section, shall be recoverable as a Loss under this Policy Section.

6. Controlling shareholder

Where a Wrongful Act is alleged to have been committed by an Insured Person both as an Executive of a Company and as a controlling shareholder, such Wrongful Act shall, for this Policy Section, be committed solely in that Executive capacity.

7. Cover in respect of Subsidiaries

Cover for any Claim against an Insured Person in their capacity as an Insured Person of any Subsidiary shall apply only to Management Liability arising, or Dishonest Acts committed, while such Company is or was a Subsidiary of the Policyholder and the Insured Person served in that capacity.

An entity ceases to be a Subsidiary when the Policyholder does not have the capacity to determine the outcome of decisions about that entity's financial and operating policies.

8. Defence Costs advancement

We will not refuse to advance Defence Costs by reason only that we consider that conduct referred to in the Exclusions at clauses 1(a)(i), 1(a)(ii) and 1(a)(iii) under this Policy Section has occurred, until such time as there is an admission, or a judgment, award or other finding by a court, tribunal or arbitrator which establishes the foregoing. Any payments advanced in respect of Defence Costs for which it is ultimately established that we are not liable must be repaid by the Insured.

9. Defence/settlement

The Insured must, at its own cost, render all reasonable assistance to us and take all reasonable measures to mitigate Loss. The Insured shall defend and contest any Claim made against them. We shall advance Defence Costs in excess of the Excess, if applicable and we shall be entitled, but not required, to participate fully in such defence and the negotiation of any settlement that involves or appears to involve us.

10. Determination of whether our settlement recommendation is reasonable

Should any Insured Persons or the Policyholder wish to contest any legal proceedings which we want to settle, then we will agree to the appointment, at the Insured Person's or the Policyholder's request, of a senior lawyer (to be mutually agreed upon by us and the Insured or in the absence of mutual agreement to be appointed by the President of the Law Society, or equivalent organisation, in the jurisdiction in which legal proceedings were first served) to determine whether our settlement recommendation is reasonable.

The senior lawyer shall take into consideration the economics of the matter, the damages and costs which are likely to be recovered by the plaintiff, the likely costs of defence and the prospects of the Insured successfully defending the action.

The costs of the senior lawyer's opinion will be paid by us.

Any amount paid by us for the costs of the senior lawyer under this claims condition will be paid in addition to the Limit of Liability.

11. Loss allocation

Where, as between any Insured Person and any other person (including the Company), any Loss has been jointly or jointly and severally incurred, our liability under this Policy Section is limited to the proportion of the Loss which represents a fair and equitable allocation between the Insured Persons and those other persons, taking into account the relative legal and financial exposures of, and the relative benefits obtained by, the Insured Persons and those other persons (including the Company).

Where any Loss is incurred in respect of any Claim which arises from both covered matters and matters not covered by this Policy Section, our liability under this Policy Section is limited to the proportion of the Loss which represents a fair and equitable allocation between us, the Company and the Insured Persons, taking into account the relative legal and financial exposures attributable to covered matters and matters not covered under this Policy Section.

Where our liability under this Policy Section is limited under this clause, we, the Company and the Insured Persons must use their best endeavours in the utmost good faith to agree upon the allocation to be adopted by them as the fair and equitable allocation.

12. Loss allocation disputes

If the parties are unable to agree, then the fair and equitable allocation is to be determined by a senior lawyer (to be mutually agreed upon by us and the Policyholder or in the absence of agreement, to be appointed by the President of the Law Society or equivalent organisation, in the jurisdiction in which the Loss was incurred).

The senior lawyer is to determine the fair and equitable allocation as an expert, not as an arbitrator. We and the Policyholder (or its designee) may make submissions to the senior lawyer. The senior lawyer is to take account of the parties' submissions, but the senior lawyer is not to be fettered by such submissions and is to determine the fair and equitable allocation in accordance with his or her own judgment and opinion. The senior lawyer's determination shall be final and binding. The costs of the senior lawyer's determination shall be borne by us and will not erode the Limit of Liability.

For so long as the proportion of Defence Costs to be advanced under the Policy Section remains unagreed and undetermined, we shall advance the proportion of the Defence Costs which we consider represents a fair and equitable allocation. The fair and equitable allocation finally agreed or determined shall be applied retrospectively to any Defence Costs incurred prior to agreement or determination.

13. Loss mitigation

As soon as the Insured discovers a Direct Financial Loss involving an identified Employee, the Insured must immediately take all necessary steps to prevent any additional Direct Financial Loss being caused by the same identified Employee.

Any further Direct Financial Loss caused by the same Employee after the date of discovery will not be covered by this Policy Section.

14. Notification

Cover under this Policy Section is afforded solely with respect to any Claim or Direct Financial Loss that is reported to us during the Period of Cover or any Discovery Period.

All notifications must be made to us in writing as soon as practicable.

If the Insured notifies a Direct Financial Loss to us, the Insured must also, as soon as practicable, provide us with:

- (a) affirmative proof of the Direct Financial Loss; and
- (b) all requested information and documents and co-operation;

in all matters relating to the Direct Financial Loss.

15. Preservation of right of recovery

In the event and to the extent that the Company is legally permitted or required to indemnify any Insured Person in respect of a Claim, but for whatever reason fails to do so, then we shall pay on behalf of the Insured Person any Loss arising from such Claim.

In such event, the Company shall pay the Excess that applies to the 'Reimbursement' Insured Event to us.

16. Related claims

If notice of a Claim or circumstance is given as required by this Policy Section, then any subsequent Claim alleging, arising out of, based upon or attributable to the facts alleged in that Claim or described in that circumstance notice shall be deemed first made against an Insured and reported to us at the time the required notices were first provided. Any Claim arising out of, based upon or attributable to continuous, repeated or related Wrongful Acts shall be considered a single Claim.

17. Related dishonest acts

Any Direct Financial Loss resulting from a series of continuous, repeated or related Dishonest Acts shall be considered a single Direct Financial Loss.

18. Transactions

In the event of a Transaction, then the cover under this Policy Section is amended to apply only to:

- (a) the Management Liability incurred; and
- (b) Direct Financial Loss Discovered,

prior to the effective time of such event. This Policy Section may not be cancelled after the effective time of such event, and the entire premium for this Policy Section shall be deemed earned at such time.

19. Use of Fraud Investigator

The Fraud Investigator shall:

- (a) investigate the facts behind a Direct Financial Loss;
- (b) determine the quantum of a Direct Financial Loss;
- (c) advise when and how the Insured's controls were or may have been breached;
- (d) summarise recommendations which may prevent future similar Direct Financial Loss; and
- (e) issue a report limited to the foregoing, in a format approved by us, in duplicate to us and the Insured.

We have the right to attend the initial meeting between the Insured and the Fraud Investigator. The Insured is not obliged to use the services of a Fraud Investigator.

If the Insured does not elect to retain a Fraud Investigator, then any costs or expenses incurred by, or on behalf of or in the right of an Insured in connection with investigating and proving a Direct Financial Loss shall be incurred solely at the expense of the Insured and this Policy Section shall not cover any such costs or expenses.
